

Did You Know?

A family in need can only access charity services once every THREE MONTHS?

Feed the Hungry are a local volunteer group run by everyday community members – people just like you – assisting those in need within the wider Sunraysia area.

Every day, around 300 people within your community are homeless, and countless more go hungry. A significant number of these are children. Welfare agencies are underfunded and over-stretched, leaving many of our most vulnerable without options.

We genuinely understand what it is like to struggle. Many of our volunteers have experienced homelessness, have gone hungry, have not had access to life's basics. This fuels their desire to make sure no one else is left in that situation.

You CAN help!

- Do you have a caravan collecting rust that could be purchased to use as emergency accommodation?
- An empty house, unit etc. that could be leased to a family? (Repairs can be negotiated)
- Land that could be used to site emergency accommodation caravans?
- Excess fresh produce?
- Cans taking up space in the cupboard?
- A winter coat you no longer love?
- Employment to help someone provide for their family?

Something that you see as the smallest thing, could mean the world to someone you may pass on the street or your child could play with at school tomorrow.

DONATIONS CAN INCLUDE

Clean clothing in good condition – Men's, Women's and children's in all sizes

Non-Perishable food items

Fresh produce

Meat to be used to make meals

Furniture and Electrical

School Supplies – Exercise books, pens, pencils etc
